Do you support legislation that would legalize cannabis for adults 21+, and replace the current criminal market for cannabis with a safe, legal, taxed and regulated market?

No, I do not support this; however I am open to research and information.

Do you support allowing adults 21+ to cultivate cannabis in the privacy of their home?

No, I do not support this and would vote against a bill to allow for home cultivation.

The creation of a regulated cannabis market will divert millions of dollars from gangs and other criminal organizations.

Disagree

Cannabis regulation helps deter access to cannabis by minors, by implementing enforcement mechanisms similar to alcohol, such as ‘We Card’ programs.

Strongly Disagree

Research shows cannabis is objectively less dangerous than alcohol and tobacco.
